U.S. PRODUCT GUIDE

From farm to table

We are proud to support farmers & their families

RICHARDSON

FOOD & INGREDIENTS

SINCE 1857, RICHARDSON has built trusted relationships with farmers to bring quality agricultural products to the world market. Today, our business has grown to be vertically integrated from the farm to the consumer's table.

Richardson Food & Ingredients has state-of-the-art canola crushing facilities strategically located in the heart of North America's best canola growing regions. With multiple packaging facilities and multiple co-pack partnerships in key locations across North America, we are able to effectively reach all our customers at home and around the world.
