

Bringing Quality Ingredients to the table

Italgrani USA is the largest **semolina and durum flour** miller in North America. Headquartered in St. Louis, Missouri, our facilities are strategically located across U.S. farm country, where American growers produce the highest quality grains. We are excited to join Richardson Food & Ingredients who share our passion for innovation. Together we will continue to develop products that are tailored to meet the needs of a dynamic and ever-changing marketplace.

Richardson Food & Ingredients is a division of Richardson International and is 100% vertically integrated and involved in every aspect of the food and agricultural cycle; from contracting acreage directly with farmers, to receiving grains at harvest, to transporting those crops to the world, to processing products ready for packaging. A global leader in agriculture and food processing, Richardson Food & Ingredients supplies a complete range of **oat and coated cluster products, quality oils, margarines and shortenings**, to retail, food service establishments, industrial bakers, and food manufacturers worldwide.
