

Fresh New Look

SAME TRUSTED QUALITY

Richardson Food & Ingredients is your ideal partner for Wesson food service oils and shortenings.

100% vertically integrated and sustainable, Richardson is proud to supply Wesson products to food service establishments, industrial bakers and food manufacturers worldwide.

Starting now, you can enjoy the same trusted Wesson quality with a fresh new look. This change is design only; there are no changes to functionality, product names, or UPC/SCC numbers.

Our new branding will help you quickly locate Wesson products in your kitchens, warehouses and production floors.

Cook with style and Wesson.
